

Supervision of Visitors

At Manor House Nursery School we aim to always protect the children in our care. This includes making sure any visitors to the nursery are properly identified and supervised.

All visitors must sign the visitors' book on arrival and departure. Where applicable, visitors' identity should be checked, e.g. Ofsted inspectors or colleagues attending in a professional capacity such as speech and language therapists. Visitors are informed of any relevant policies including fire evacuation procedure and mobile phone policy.

A member of staff must always accompany visitors in the nursery while in the building; at no time should a visitor be left alone with a child unless under specific circumstances arranged previously with a manager.

Security

- Staff must check the identity of any visitors they do not recognise before allowing them into the main nursery. Visitors to the nursery must be recorded in the visitors' book and always accompanied by a member of staff while in the building.
- Visitors must read the 'visitor information sheet' provided to them and abide by this. Any mobile phones, iPad, tablets, cameras etc must be stored in a locker for the duration of their visit.
- All external doors must be locked at all times and external gates closed. All internal doors and gates must be kept closed to ensure children are not able to wander.
- Parents, visitors, and students are reminded not to hold doors open or allow entry to any person, whether they know this person or not. Staff within the nursery should be the only people allowing external visitors and parents entry to the nursery.
- The nursery will under no circumstances tolerate any form of harassment from third parties, including visitors, towards others, including children, staff members and parents. The police may be called in these circumstances.

Manor House Nursery School adheres to all data protection guidelines stated in our GDPR policy. Please see our UK GDPR policy on the nursery website – www.manorhousenursery.co.uk
